LIMITED QUANTITIES • LIMITED SIZES • WHILE SUPPLIES LAST

**W**elcome to the 2017 Atlanta Select30 Super NIT, “The Who’s Who of Travel Baseball”!!!

The Atlanta Select30 Super NIT Team Information Guide is designed to provide teams with pertinent and general event information and rules as well as assist teams with acquiring up-to-date Atlanta Select30 Super NIT information throughout the weekend including:

- **Pool Play Schedules & Scores**
- **Pool Play Standings**
- **Championship Brackets**
- **Innings Pitched Reports**
- **Final Standings & Points Awarded**

Unlike most large baseball tournaments that are played at multi-use facilities, the Atlanta Select30 Super NIT is primarily played at baseball complexes which typically have only one or maybe two fields sized for any specific age division. This being the case, most age divisions are spread out among several parks meaning most teams will play at multiple venues throughout the weekend.

From an event management view point, communication between event staff and teams could be a nightmare if it wasn’t for the powerful game management tools built into the USSSA.com web site.

**With this said, it is paramount that someone traveling with your team has internet access with either a smart phone or pad type device.**

You will use the internet to view updated tournament information including schedules, scores, standings, pitching records, brackets, weather, etc. The internet is updated **LIVE...IN REAL TIME** making it the quickest way to obtain information.

In case you’re unfamiliar with the USSSA.com web site, Section III of this guide will walk you step by step through the process of using the web site to obtain the updated information you will need.

With thoughts of beautiful spring weather...the entire 100+ member staff of the 2017 Atlanta Select30 Super NIT wishes you a wonderful weekend of USSSA Baseball!

For The Love Of The Game!

Matt T. Trebuchon  
USSSA Baseball  
Sr. Vice President

*Seeded Championship Brackets will be posted online APPROXIMATELY 5 MINUTES after the completion of the last pool play game in each age division and classification. Please DO NOT try to contact tournament headquarters to inquire about Championship Brackets as this only delays the entire process for every team. As soon as each age division and classification is seeded it is automatically posted to the web site.*

Any person participating in a fight, altercation and / or verbal abuse incident shall be immediately ejected from the venue and local law enforcement shall be notified.
3. Each venue shall have an on hand Site Coordinator at all times. If you cannot locate the Site Coordinator at a venue, ask at the Concession Stand. The Site Coordinator is in charge of schedule updates, scores, brackets and protests at the site.
