Welcome to the 2018 Atlanta Spring Super NIT, "The Who's Who of Travel Baseball"!!!

The Atlanta Spring Super NIT Team Information Guide is designed to provide teams with pertinent and general event information and rules as well as assist teams with acquiring up-to-date Atlanta Spring Super NIT information throughout the weekend including:

- **Pool Play Schedules & Scores**
- **Pool Play Standings**
- **Championship & Consolation Brackets**
- **Innings Pitched Reports**
- **Final Standings & Points Awarded**

Unlike most large baseball tournaments that are played at multi-sports facilities, the Atlanta Spring Super NIT is primarily played at baseball complexes which typically have only one or maybe two fields sized for any specific age division. This being the case, most age divisions are spread out among several parks meaning most teams will play at multiple venues throughout the weekend.

From an event management view point, communication between event staff and teams could be a nightmare if it wasn't for the powerful game management tools built into the USSSA.com web site.

With this said, it is paramount that someone traveling with your team has internet access with either a smart phone or pad type device.

You will use the internet to view updated tournament information including schedules, scores, standings, pitching records, brackets, weather, etc. The internet is updated **LIVE...IN REAL TIME** making it the quickest way to obtain information.

With thoughts of beautiful spring weather...the entire 100+ member staff of the 2018 Atlanta Spring Super NIT wishes you a wonderful weekend of USSSA Baseball, and travel safe!

For The Love Of The Game!

I. INFO & UPDATES WEB SITE ADDRESS

http://www.ussa.com/baseball/event_home/?eventID=296699

Seeded Championship Brackets will be posted online APPROXIMATELY 5 MINUTES after the completion of the last pool play game in each age division and classification. Please DO NOT try to contact tournament headquarters to inquire about Championship Brackets as this only delays the entire process for every team. As soon as each age division and classification is seeded it is automatically posted to the web site.

1. Please notify **ALL** team personnel and guests of these rules. Any person attempting to violate any event rule(s) shall be denied access into or ejected from all venues.
2. Fighting, altercations and / or verbal abuse from managers, coaches, players, or spectators towards game officials, event officials or other participants shall not be tolerated. Any person participating in a fight, altercation and / or verbal abuse incident shall be immediately ejected from the venue and local law enforcement shall be notified.
3. Each venue shall have an on hand Site Coordinator at all times. If you cannot locate the Site Coordinator at a venue, ask at the Concession Stand. The Site Coordinator is in charge of schedule updates, scores, brackets and protests at the site.
4. Teams must provide their own bulk dispensing drink cooler (one per team).
5. Inclement Weather: If in doubt check your email and text; information is updated as soon as it becomes available.
