NOTE: If the team you are trying to enter in an event is not listed in the **Select Team** dialog box, you are experiencing one of two issues:

1. The **Login ID** and / or **Password** are incorrect for the team you are trying to enter. (Check and verify you are using the Login ID & Password for the current season team.)
2. The team has not been **Created** and / or **Registered** for the current season. (Select the **Register / Create Baseball Team** link at the top of the page and register the team for the current season.)

The screenshot shows the 'FIND AN EVENT' web form. The form has a red header with the 'Baseball' logo and navigation links. Below the header is a dark red navigation bar with various menu items. The main content area is titled 'FIND AN EVENT' and contains several sections:

- EVENT TYPE:** A dropdown menu with 'All' selected.
- DATE RANGE:** Two input fields for 'From:' and 'To:' with calendar icons.
- FIND EVENTS:** A red button with a magnifying glass icon, circled in yellow.

At the bottom of the form, there are two small notes: '*Date Range: Leave "to" blank for all date ranges.' and '*Note: To find Leagues choose "League" in Stature above.'

ACTION: In the **Class** dialog box highlight the **Age & Class** of the event you want to enter. In the **State/Region** dialog box highlight the **Location** the event is being played in. In the **Stature** dialog box highlight the desired **Stature** & click on the...**FIND EVENTS** button.
