

FREE EVENT TEXT UPDATE SERVICE FOR TEAM PARENTS

Since 2008, USSSA has offered a FREE event text update service for Team Managers. Now this service is available for Team Parents too...and it's still FREE! The service will send your Team Parents schedule, score, and weather updates only for the age division and classification you are playing in. You sign up one Parent per player one time for the entire season and the service turns on automatically the day before and off the day after the event, just like your Team Manager service. And if a Parent changes their mind, you can just as easily remove them from the service.

To assist you in the process you will see **red ACTION:** commands that tell what to do or type, the **POINTING HAND** icon circled in yellow which shows what item to click on and **green HINT:** and **blue NOTE:** remarks containing additional information.

ACTION: In your internet URL (address) window type...www.ussa.com/baseball.

The above screen will appear; this is the USSSA Baseball National Home Page on USSSA.com.

ACTION: Click on the...Log in / Log out link in the top menu bar to open the USSSA Login page.

ACTION: In the **Texting Address or 2nd Email Address** field, using the example formats provided above, enter the Parents ten (10) digit mobile phone number plus the appropriate service provider suffix and click on the...**SUBMIT** button.

HINT: Make sure to **OMIT** all dashes and parentheses normally associated with an area code and phone number.

ACTION: Repeat these steps to add each additional Parent (only one per player) to the service.

NOTE: If you add a Parent for every player on your team, when you get a schedule, score or weather update...so do they. Less work and less time wasted re-communicating details to your team!
